

DARWIN WEEK

February 9 - 10, 2022

A public event and lecture series celebrating the study of evolution, natural history, and International Darwin Day on February 12th.

All events are FREE and open to the public!

WEDNESDAY - Feb 9

Student Symposium and Art Reception

6pm, Student Center Auditorium, SIU Student Center

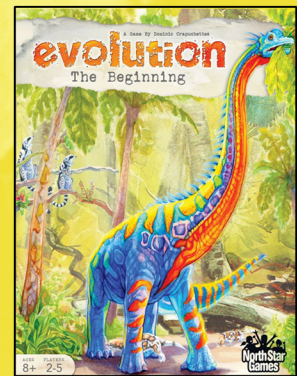

Symposium: Annual Darwin Week Student Symposium featuring a variety of talks given by SIU students!

Art show: Art show featuring works from the SIU community. A reception at the beginning of the symposium will announce winners among competing pieces on display.

Game Night

7:30pm, International Lounge, SIU Student Center

Game night featuring the board game ***Evolution: The Beginning***. Open and tournament play. Prizes for winners and a few other lucky participants. The tournament starts at 7:30 pm. Tournament registration begins at 7:15 pm (max. 40 participants). Open play begins at 6:30 pm.

THURSDAY - Feb 10

Dr. Erika Edwards

Professor of Ecology and Evolutionary Biology, Yale University

Hybrid Keynote: "Darwin, the modern synthesis, and 21st century evolutionary biology"

7pm, John C. Guyon Auditorium, Morris Library (and on Zoom)
